Stories of Impact

ALL FOR THE ONE

My name is **Robyn**, and I serve on the Frontline Team.

About a year ago, I joined View Church Tygerberg Hills, and one thing Pastor Dino often says really stuck with me: "Show me your friends, and I'll show you your future." From the moment I joined, my loved ones and close friends were on my Faith for Five list.

I kept inviting them to church and to different events over and over again. It took time, and there were definitely moments that required persistent, faith-filled prayer. But today, I can honestly say I've lost count of how many people I love who are now part of our church. Some of them have even started serving!

My name is **Aletta**, and I joined View Church Tygerberg Hills' social justice ministry, TRUE, in 2023, and quickly saw the need among children in Ravensmead for stronger reading and writing support.

In January 2024, I began tutoring one Grade 1 learner at the Ravensmead Library. As more families asked for help, we outgrew the space and moved to a nearby house later that year.

Today, Ravensmead Learning Centre is a registered nonprofit with 8 teachers serving 25 primary school children each afternoon, plus morning classes for 3- and 4-year-olds preparing for Grade R. All services are free, and children receive sandwiches at each lesson.

The need is still great, and we trust God to continue growing this work to reach more children.

Changed Lives. Changing Lives

My name is **Nicole**, and during our Miracles series, Pastor Dino asked a powerful question: "If God were standing right in front of you and you could ask for anything, what would it be?"

As I went through everything I could ask God for, I discovered that what I really desired was a good, joyful heart—to be able to find joy in everything. Through the ups and downs, the highs and the lows, the mountains and the valleys, I wanted to experience joy in all of it.

The next morning, I woke up and felt... happy. It was different. I even wondered to myself, "Is this what it feels like when God works in you?" I started thinking about the same God who has moved in my life before—the God who brought my brother back to life after he was pronounced dead at birth, and who saved a very dear family member from addiction, who is now living her life to glorify Him. That same God, who moves mountains and parts seas, saw me that morning when I woke up.

Even though things around me haven't necessarily changed, something inside of me has. And to me, that is a miracle.

View Church Tygerberg Hills

WHO WE ARE

View Church Tygerberg Hills is located in the northern suburbs of Cape Town, South Africa, and holds life-giving worship services every week for the surrounding community.

The church is led by senior pastors Dino Cicatello and Kelly Cicatello, who are also part of the ARC Southern Africa Lead Team. We are a church that seeks to reach the lost, build the church, and give God the glory. Our prayer is that as you partner with us on this journey, more lives will be impacted and changed.

We have the greater vision of Changed Lives, Changing Lives. We believe that as Christ changes us and empowers us to be more than we ever could be on our own, we are called to extend our hands to others to help them become all that Christ has called them to be.

OUR VISION

Changed Lives. Changing Lives.

OUR MISSION

reach the *lost*

build the *church*

give God the *glory*

OUR CULTURE

choose JOY

love PEOPLE

pursue EXCELLENCE

give HONOR

live GENEROUSLY

WEEKLY WORSHIP SERVICES

Sunday gatherings featuring contemporary worship, biblical teaching, prayer support, and community fellowship in a welcoming, casual environment.

VIEW GROUPS

Neighborhood-based groups that foster relationships, Bible study, spiritual growth, and pastoral support. Our vision is to see every person connected to a View Group.

NEXT GENERATION

We love the next generation, which is why we plan a fun, Jesus-centered, age-specific, life-giving programme that equips them to be all they can be in God. We also have a youth programme on Friday nights, reaching Grade 7–12 learners. It will always be our passion to lead them to grow in their love for God and to choose the life He designed for them.

SOCIAL JUSTICE

We have been called to make a difference in our community and our country. We have different programmes where we are involved in the local community, caring for people and uplifting them through biblical teaching and feeding programmes.

CHAMPIONS CLUB

Champions Club is a dedicated special needs ministry where extraordinary kids, including those who are medically fragile, are introduced to a Sunday church service in a way that is relevant, engaging, and safe for them. We believe God has a plan for all people in His church.

DISCIPLESHIP

Growth Track is a structured pathway that helps individuals grow in faith, discover spiritual gifts, and get involved in serving. We also have Night College programmes where we equip the saints, disciple believers to become more like Christ, and help them grow in their understanding of the Bible.

WHERE GOD IS LEADING

As the church continues to grow, the limits of the current space have become impossible to ignore. In order to keep reaching people effectively, a larger and more functional space is necessary. View Church Tygerberg Hills is excited to announce the proposed construction of our permanent church campus!

A STRATEGIC OPPORTUNITY: TYGERBERG HILLS

Located in the northern suburbs of Cape Town, the Tygerberg Hills region sits at the center of a rapidly growing residential corridor that includes communities such as Bellville, Parow, and Durbanville. The northern suburbs have experienced significant residential and commercial growth in recent years, with continued investment in housing, retail, and infrastructure drawing families and professionals into the region (Pam Golding Properties, 2023).

A church in Tygerberg Hills is uniquely positioned to serve this network of surrounding communities. The area functions as a central hub connecting several northern suburbs and commuter routes, making it accessible to residents from multiple neighborhoods across the region (Wanted in Africa, 2022). Located near the prominent Tygerberg Nature Reserve, the church can provide a central place where people gather for worship, build meaningful relationships, and serve their community.

In a region defined by growth and movement, a thriving church can become a lasting source of hope, connection, and transformation for generations to come.

WHERE GOD IS LEADING

The Tygerberg Hills Church building project is designed to create a welcoming, community-centered environment that fosters both spiritual growth and everyday connection. A spacious lobby sets the tone for hospitality, while adjacent meeting rooms support small groups, discipleship, and events.

At the heart of the design is an open-concept courtyard—the central hub where all generations gather, mingle, and connect. This space seamlessly links each ministry environment, creating natural intersections for community and shared life.

Surrounding these areas are a main auditorium, Kids Church, outdoor playground, and coffee shop—together forming a cohesive environment where people can connect, grow, and belong.

COFFEE SHOP

The coffee shop will be a welcoming space for connection and community. Integrated into the new facility, it will serve as a natural gathering point for conversation, relationship-building, and everyday engagement—extending the church's mission beyond the auditorium.

AUDITORIUM

The auditorium will be a central gathering space designed for worship, teaching, and community. Thoughtfully planned for both function and experience, it will support meaningful services and create an inviting environment where people can encounter God and grow together.

KIDS CHURCH

The Kids Church will be a vibrant, purpose-built environment where children can grow in faith, build friendships, and feel a true sense of belonging. Designed with safety and engagement in mind, it creates space for meaningful discipleship and supports the church's mission for the next generation.

PLAYGROUND

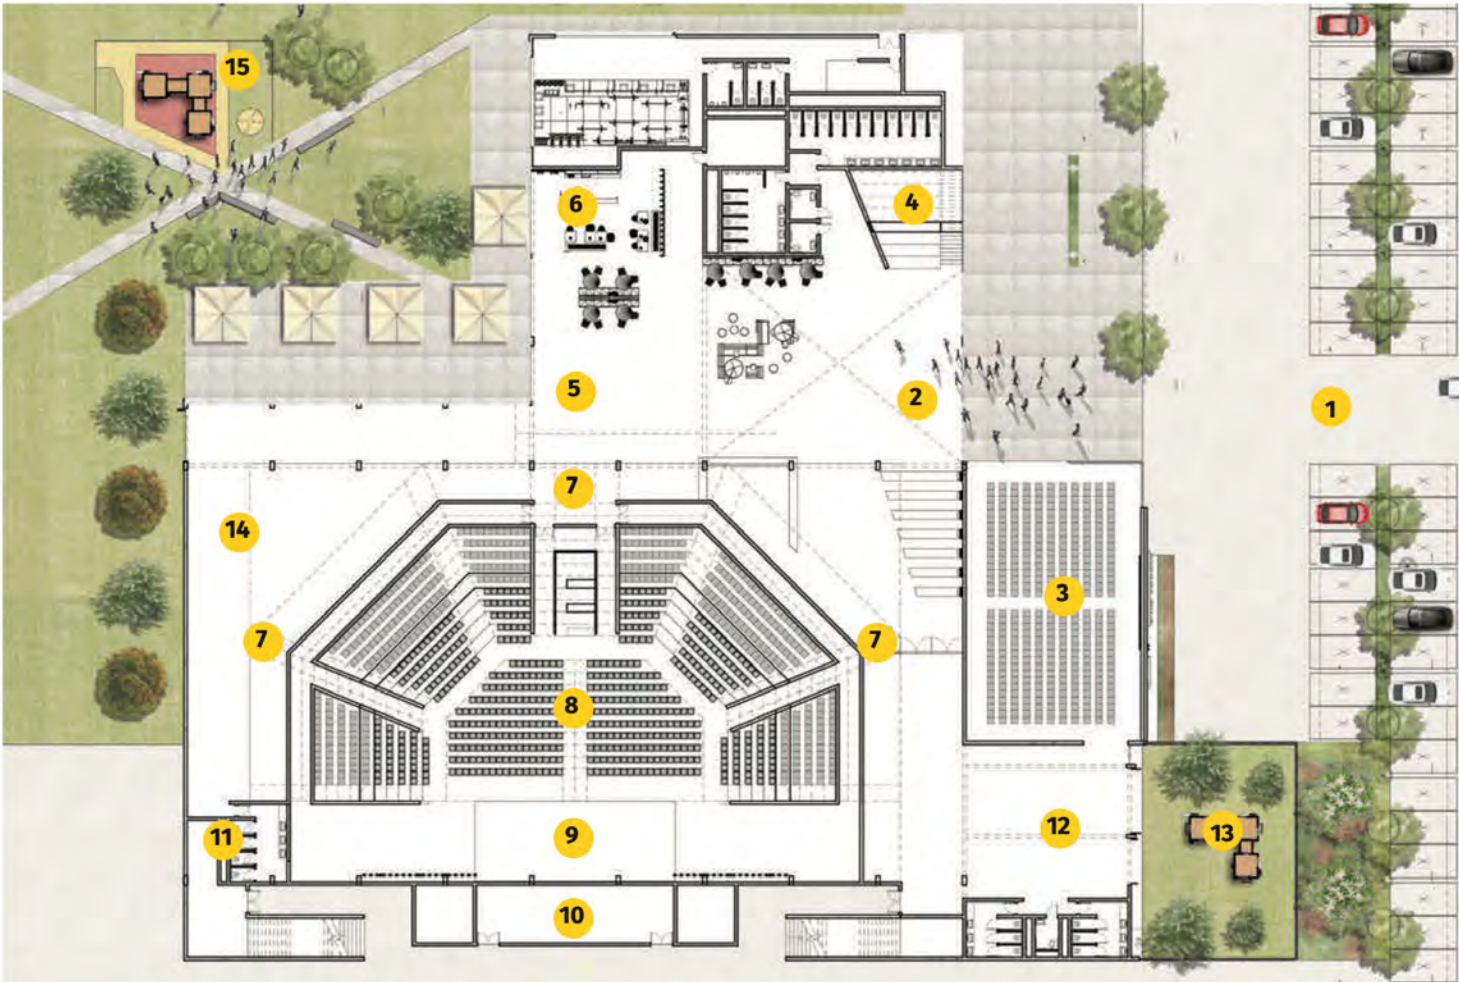

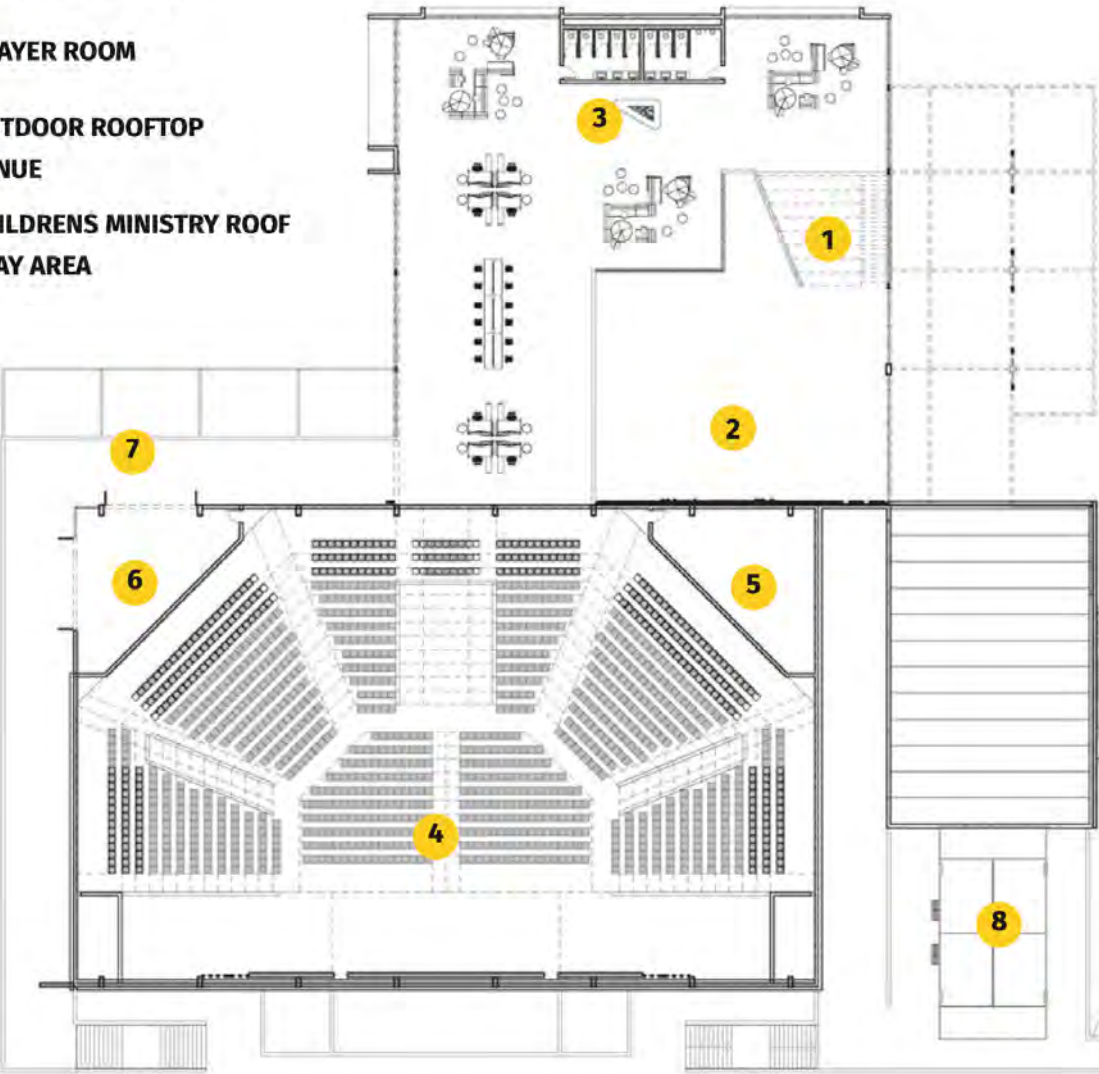

The outdoor playground will provide a safe, engaging space for children to play, explore, and build friendships. Designed as an extension of the church's family-focused environment, it creates opportunities for connection and community beyond the walls of the building.

FLOOR PLANS

- 1 STAIRCASE
- 2 DOUBLE VOLUME
- 3 OFFICES

STEWARDSHIP THROUGH PARTNERSHIP

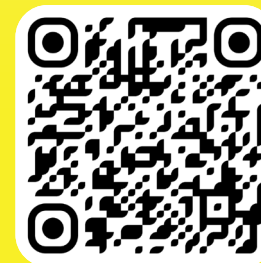

View Church Tygerberg Hills is partnering with Third Lens, a nonprofit organization that manages the design-build process for churches and nonprofits, empowering them to build with confidence.

Several partners, along with key donors and experienced industry professionals, have provided essential services and support throughout this capital campaign and have been invaluable in developing this project.
